# Sightseeing in London

**Day 1, Sunday:** Departure in the morning from airport. Arriving in London, you will be transferred to Victoria Station, then to a hotel. The accommodation is a typical bed and breakfast one downtown. There is a good public transportation option. In the afternoon you can make a short sightseeing tour of central London: Houses of Parliament, Big Ben, Trafalgar Square. Then you will have some free time. Evening optional programme: London Eye where your ticket include amazin4D film.

**Day 2, Monday:** After breakfast sightseeing: 1. Westminster Abbey: since 1066 the Abbey has been the nation's church for Coronations; it is also the burial and memorial location for many famous historical figures from a thousand years of British history. 2. Globe Theatre: Globe exhibition and tour. The Globe theatre is a faithful reconstruction of the open-air playhouse first built in 1599, where Shakespeare worked and where many of his greatest plays were performed. 3. London Bridge Experience - not just for children! (Horrifyingly educational fun! Come face to face with zombies and monsters!)

**Day 3, Tuesday:** After breakfast sightseeing: you can take a visit to Windsor, the Queen's official residence and favourite weekend home. We shall visit the State Apartments, St. George's Chapel, and the Semi-State Rooms. Afternoon stadium tour Arsenal or Chelsea or Wembley football clubs.

**Day 4, Wednesday:** After breakfast sightseeing: you will view the changing of the guard in front of Buckingham Palace, and The Royal Mews, home to the royal collection of historic coaches and carriages. You will also see the crown Jewels in the Tower, and can make a late-afternoon visit to Tower Bridge. In the evening you will take a boat-trip on the river Thames.

**Day 5, Thursday:** After breakfast sightseeing: tour of the Houses of Parliament. British Museum, History Museum, Victoria and Albert Museum.

**Day 6, Friday:** After breakfast sightseeing and shopping city of London. Afternoon go to the airport, for a flight directly to home.
